ACM Research to Participate in the 13th Annual Virtual CEO Investor Summit 2021

June 8, 2021

FREMONT, Calif., June 08, 2021 (GLOBE NEWSWIRE) -- ACM Research, Inc. (NASDAQ:ACMR), a leading supplier of wafer cleaning technologies for advanced semiconductor devices, today announced that its management team will participate in the 13th Annual CEO Summit, being held virtually this year on Tuesday, June 15, 2021.

The CEO Summit is hosted by executive management from participating companies and will feature a virtual “round-robin” format consisting of small group meetings, each 40 minutes in duration. Each company will be available for up to six meeting slots during the conference, while investors and analysts will have the opportunity to meet with 14 of the participating management teams from 9:00a.m. until 5:15p.m. EDT on June 15th.

The Virtual CEO Summit is by invitation only and is open to accredited investors and publishing research analysts. As space is limited, please RSVP early. Hosts reserve the right to limit attendance as necessary. Advance registration and company meeting selection is required. The last day for registration is June 10, 2021.
