About the 14th Annual CEO Summit

The CEO Summit is collectively hosted and funded by participating companies and features a "round-robin" format consisting of small group meetings with company management teams, each 30 minutes in duration. During the event, investors and analysts will have the opportunity to meet with a majority of the 12 management teams during the small group meeting sessions, as well as opportunities to meet with additional management teams during the breakfast and lunch networking sessions. The 12 management teams collectively hosting the 14th Annual CEO Summit 2022 include: ACM Research (ACMR), Aehr Test, Alpha & Omega Semiconductor, Axcelis, Camtek Ltd., Cohu, Everspin Technologies, Ichor Systems, Intevac, Kulicke & Soffa, Pivotal Systems, and SkyWater Technology.

This year's CEO Summit is being co-sponsored by Cowen & Co., Intro-act, Jefferies and Stifel. Attendance at the CEO Summit is by invitation only and is open to accredited investors and publishing research analysts. As space is limited, please RSVP early. Hosts reserve the right to limit attendance as necessary. The last day for registration is July 1, 2022.
