EXPLANATORY STATEMENT

Due to a printer error, an incorrect Proxy Notice was filed as definitive additional materials with the Securities and Exchange Commission. The Proxy Notice presented on the following page replaces the incorrect Proxy Notice previously filed. This Supplement does not reflect any other events occurring after the date of the Proxy Notice or modify or update disclosures that may have been affected by subsequent events.

The board of directors recommends a vote in favor of all proposals set forth in the Proxy Statement.

If you have already voted by means other than the proxy card that accompanied the Proxy Statement as filed with the Securities and Exchange Commission on May 20, 2022, you do not need to vote again unless you would like to change your prior vote on any proposal. If you have already properly submitted your proxy and would like to change your vote, you may revoke your proxy before it is voted at the Annual Meeting by:

- voting via the Internet or telephone at a later time;
- submitting a completed and signed proxy card in the form accompanying this Supplement;
- sending a timely written notice that you are revoking your proxy to our Corporate Secretary at ACM Research, Inc., 42307 Osgood Road, Suite I, Fremont, California 94539; or
- voting via the Internet at the Annual Meeting (simply attending the Annual Meeting will not, by itself, revoke your proxy).

Your most current proxy card or telephone or Internet proxy is the one that is counted. If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.
